Bloody Days

Hello, hello, this is Tokumi.
I'm pretty sure this is my 52nd Saki doujin, and hello again.
This Bucap doujin incorporates a lot of silliness.
Bucap is really too cute, don't you think? I wonder why
they're always this cute... So cute...

So yeah, this doujin is about them being as cute as always.
I couldn't express the true extent of their cuteness.
Nevertheless, I've tried to integrate a certain cuteness.
If you can enjoy this even just a little, I would be very happy.

EH?
YOU MEAN THE TONE ISN'T JUST FOR TEXTS FROM FUKUJI-SAN?
IT'S BECAUSE SHE DOESN'T SEND TEXTS.
THERE WOULDN'T BE ANY CHANCE TO USE IT THEN. SO IT'S MY GENERAL TEXT MESSAGE TONE.
